

Thank you for scheduling an appointment with Melissa Dyer, R.N. At least three days prior to your appointment, please print out Form 1 – New Client Introduction Form – fill it out, and bring it with you to your scheduled appointment. You will note that you will need to log on this form everything you eat and drink the two days prior to your appointment.

Also print out the two-page New Client Introduction Form, fill it out, and bring it with you also.

***If you have any questions when filling out the forms, please send your questions via email to ([cnhc.mdyer@gmail.com](mailto:cnhc.mdyer@gmail.com)) and we will address those for you as quickly as possible. Alternatively, you can call the office during normal business hours with your questions (859.653.4923).***

***When you come for Your Initial Consultation, please wear light colored, mostly cotton clothing (no synthetic or black), as black and synthetic clothing can negatively affect part of the testing.***

Our office address is:

6900 Houston Rd., Building 700, Suite 39  
Florence, Kentucky 41042

We are at the stop light directly across the street from the Wal-Mart Supercenter. When you turn in the parking lot, we are on the right side of the complex. Suite 39 is in the middle and there is a plaque on the outside that says "Covenant Natural Health Care." We are in the downstairs office suite.

Please plan to spend about 1-1/2 to 2 hours on this first visit. We will be gathering a lot of information from you and will be conducting the initial testing. After this visit, Melissa will schedule you to return for your Report of Findings and Recommendations visit. On this second visit, Melissa will go through the report with you and answer any questions you might have. It will be determined at the second visit whether or not you qualify for and wish to proceed with Melissa's health care services.

Melissa is offering to you a discounted rate for this visit: \$100.00 (normally \$200.00), which includes your Report of Findings and Recommendations visit. The charges for office visits start when you begin the program.

We look forward to seeing you at your Initial Consultation! In the meantime, please feel free to check out our website for additional information, recipes, etc.: [www.covenantnaturalhealthcare.com](http://www.covenantnaturalhealthcare.com)
